**Hanna Not to Succeed Sherman in the Senate.**

**BUSHNELL WILL APPOINT JONES.**

**And Then Proceed to Lay Plans to Take the Full Term Himself—Perry Health to Have His Heart's Desire, Which Is Not Stated—Colored Citizens Call on McKinley—Gen. Alger Speaks of the Attack on His Army Record.**

**Cleveland, Feb. 5.**—Careful inquiry by a representative of the Associated Press among the more intimate friends and political advisers of Mr. M. A. Hanna developed the fact that there is good ground for the reports which have been in circulation during the past few days to the effect that the national chairman will not be appointed to fill the place of Senator Sherman in the United States senate.

**Hanna Abandon All Hope.**  
In fact it can be stated on unquestionable authority that Mr. Hanna has practically abandoned all hope of securing the appointment. A gentleman who stands as close to Mr. Hanna as any person in Cleveland said that there was no doubt that Governor Bushnell would appoint Lieutenant Governor Jones to fill the unexpired term of Senator Sherman and that at the next session of the legislature which convenes in January, 1908, Governor Bushnell would himself be a candidate for the full term. It is further stated on the same authority that Lieutenant Governor Jones has agreed not to be a candidate for the full term in opposition to Bushnell and that the fight will then strictly between Bushnell and Mr. Hanna.

**Fight To Be to the Finish.**  
The gentleman who gave this information, and whose knowledge upon the subject cannot be doubted, said that the fight between National Chairman Hanna and Senator Foraker would now be carried on to the bitter end and would, he said, not by any means continue to state politics.

The report that Mr. Hanna is being strongly urged to accept the postmaster generalship in President McKinley's cabinet, is also verified, but thus far, it is stated, he has steadily declined to enter the cabinet in any capacity.

**PERRY HEALTH AT THE MAJORS.**  
He is offered a Gift-Edged Position—Colored Men Call at Canton.

Canton, O., Feb. 5.—Among President-Elect McKinley's guests yesterday was Mr. Perry S. Heath, of Muncie, Ind. Heath was accompanied by Mrs. Heath, and their visit was upon the invitation of Major McKinley. After a prolonged conference, during which many political subjects were discussed, the announcement was made that the president-elect had tendered to Heath a position of prominence and importance, and that it would be accepted. The position is one which Heath asked for some time ago, and which he coveted above all others. Governor McKinley and Heath have been warm personal friends for many years, and the former stated to the Associated Press that he had no position of honor or trust without the gift to which Heath would aspire that he would hesitate to confide to this friend.

A delegation of colored men composed of M. C. Smith, of Cleveland; W. K. Stevens, of Alabama, and C. H. Davis, of South Carolina, called on Major McKinley last evening. They called to talk over southern matters in general, and patronage in particular. It is understood that Major McKinley is informed them that it would not be his policy to interfere in the matter of appointments, leaving that to his friends, and that they would devote their energies to such matters as would affect and improve the condition of the country in general.

It would be no surprise to those who are observing political events here if in due time the announcement was made that the president-elect had accepted of a position of prominence and importance, and that it would be accepted. The position is one which Heath asked for some time ago, and which he coveted above all others. Governor McKinley and Heath have been warm personal friends for many years, and the former stated to the Associated Press that he had no position of honor or trust without the gift to which Heath would aspire that he would hesitate to confide to this friend.

**ALGER REPLIES TO AN OLD CHARGE.**  
One That Was Sprung on Him Years Ago by Democrats of the State.

Canton, O., Feb. 5.—General Alger was here yesterday on a mission for a friend. He left this evening for home. He talked freely while here regarding reports in the east of an opposition to him coupled with charges against his war record; that he had absented himself from the army in the Shenandoah valley in 1864. These charges were first published in the New York Sun several years ago when Alger was a candidate for the presidential nomination. Alger was then a member of the Boston party, and he answered the charges by giving a statement of General Custer and Sheridan and President Lincoln.

"These statements," said General Alger, "taken in connection with the fact that we were ordered to the Shenandoah valley and engaged in the country at that time until I was sent to the hospital in September, show that I could not have had very much opportunity to disgrace myself or leave my command in so short a time. The whole record with all facts in the case was published by the Associated Press in 1891 and 1892. If anything were needed I think the hundreds of telegrams and letters of congratulation being received now from the men who served with me in the field would convince any fair minded person that whoever attempts to smother my record never will succeed in the field or smothered powder."

"They should ask the men who served under me for reliable information. If there is a part of my life history that I am proud to have as a heritage to my children, it is my war record. I can add that Dr. Wooster, of Grand Rapids, says he sent me to the hospital, as I was unable to go with the regiment. He found me unable to be moved."

**MINNESOTA IS AFTER A PLACE.**  
St. Paul, Feb. 5.—A telegram was sent yesterday to President McKinley, at Canton, signed by Governor Clough, Secretary of State Berg, Attorney General Childs, State Auditor Dunn, Chief of Supreme Court Rease, Lieutenant Governor Gibbs and Speaker Jones, asking the appointment as general land officer of Hanna Bixby, of Minnesota, who for several years has been at the head of the state committee and is private secretary to the governor. These are all of the heads of the executive departments and the presiding officers of the two houses of the legislature.

**Senatorial Contest from Utah.**  
Salt Lake City, Feb. 5.—Moses Thatcher was asked yesterday for further information about the statement that he would contest the election of J. L. Hawlins in the United States senate. He said there was a petition being signed by members of the legislature with that object in view, but that it was withdrawn because the wording of the document did not properly cover the facts. He says he has no personal knowledge of what is being done, but will make the contest if his friends so desire.

**Clayton To Be Minister to Mexico.**  
Little Rock, Ark., Feb. 5.—Hon. H. L. Remmel, of this city, late Republican candidate for governor of Arkansas, is authority for the statement that General Powell Clayton, of Arkansas, will be the next United States minister to Mexico, succeeding the Hon. W. M. Russell, who has been a candidate with Major McKinley last week and says that the president-elect was surprised at General Clayton's modesty.

**NEW TAX FOR THE TELEGRAPH.**  
Wisconsin Man Wants It Taxed on Its Wire—Convict Labor Bill.

Madison, Wis., Feb. 5.—A resolution was introduced in the house for an investigation into the state university administration, which is more drastic than the one introduced in the senate. A bill to tax telegraph companies 3 per cent of wire in the state for one wire, 12 per cent for a second wire and 18 per cent for each additional wire. A bill to amend the law relating to convict labor was introduced and a bill to continue the state board of immigration, which goes out of existence by limitation. Polachek presented a bill to make the hotel duobut law stronger, and Lewis one providing that rules for the commitment of the insane shall apply in the case of commitments to the house for feeble-minded.

Dennett introduced a bill in the senate prohibiting prison-manufactured goods from being placed in competition with other manufactured articles. It provides that no convict shall be employed in the manufacture of any article which is to be sold in competition with the products of private factories. All convicts are to be employed at work for the state or public, such as making shoes or improving public property. They may also be employed at making shoes or clothing or anything else, but such products must not be placed on the market in competition with similar articles made outside of prisons, but must be used in public institutions which are maintained by the state or counties.

**Big Joe Shafer in the Lockup.**  
Galesburg, Ill., Feb. 5.—Excitement at Williamsfield over the attempt to burn the town has subsided. Big Joe Shafer, the fire-bug, has surrendered himself to Deputy Sheriff Mathews. The officers had been close upon Shafer and as he was heavily armed a battle was anticipated. When they were about to corner him Shafer, on the advice of a friend, walked up to the officers. He was lodged in jail here.

**Gored to Death by a Bull.**  
Quincy, Ills., Feb. 5.—William Beck, a well-to-do farmer residing six miles from Quincy, is dead from being gored by an angry bull. The animal trampled on his body and then tossed him over the fence into a pig pen, where the hogs did other fearful injuries from which he died.

**Frank of Washington Solana.**  
Olympia, Wash., Feb. 5.—The senate has passed a bill providing that all indebtedness shall be paid in either gold or silver money.

They should ask the men who served under me for reliable information. If there is a part of my life history that I am proud to have as a heritage to my children, it is my war record.
